

PAINTSPRAY HOSES

High pressure, high performance

A high pressure, high performance, airless paintspray hose specially designed to meet the exacting requirements of the industry. Steel braid reinforcing insures strength and guarantee electrical conductivity.

This hose offers optimum resistance to a wide range of fluids including paints, chlorinated solvents and other chemicals.

The hoses are fully compatible with Airblast's range of airless and air-assisted paintspray pumps and with most other common makes of paintspray equipment.

Airblast Paint Spray Hoses comprises of the highest quality hoses manufactured and gives you the optimum combination of durability, cost and safety.

Specifications

Core	: Nylon (PA)
Pressure support	: 1 or 2 Braids of Brass Coated High Tensile Steel Wire
Cover	: Polyurethane (PUR)
Working temp.	: -40° C to +95° C
Colour	: Blue

Airblast offers a full selection of paint spray hoses as well as other hoses used in blast cleaning and paint spraying operation – contact Airblast to discuss which hose is most suitable for your specific application.

Paintspray Hose

Part no.	Description
	Paintspray hose, 1-wire, 1/4" ID Working Pressure: 400 bar Burst Pressure: 1300 bar Coupled with: 1/4" NPSM swivel female at both ends
7702000	Paintspray hose 1/4" x 10 mtrs. 1-wire
7702500	Paintspray hose 1/4" x 15 mtrs. 1-wire
7703000	Paintspray hose 1/4" x 20 mtrs. 1-wire
7704000	Paintspray hose 1/4" x 30 mtrs. 1-wire
	Paintspray hose, 2-wire, 1/4" ID Working Pressure: 483 bar Burst Pressure: 1930 bar Coupled with: 1/4" NPSM swivel female at both ends
7707000	Paintspray hose 1/4" x 10 mtrs. 2-wire
7707500	Paintspray hose 1/4" x 15 mtrs. 2-wire
7708000	Paintspray hose 1/4" x 20 mtrs. 2-wire
7709000	Paintspray hose 1/4" x 30 mtrs. 2-wire
	Paintspray hose, 1-wire, 3/8" ID Working Pressure: 300 bar Burst Pressure: 1000 bar Coupled with: 3/8" NPSM swivel female at both ends
7712000	Paintspray hose 3/8" x 10 mtrs. 1-wire
7712500	Paintspray hose 3/8" x 15 mtrs. 1-wire
7713000	Paintspray hose 3/8" x 20 mtrs. 1-wire
7714000	Paintspray hose 3/8" x 30 mtrs. 1-wire
	Paintspray hose, 2-wire, 3/8" ID Working Pressure: 450 bar Burst Pressure: 1380 bar Coupled with: 3/8" NPSM swivel female at both ends
7717000	Paintspray hose 3/8" x 10 mtrs. 2-wire
7717500	Paintspray hose 3/8" x 15 mtrs. 2-wire
7718000	Paintspray hose 3/8" x 20 mtrs. 2-wire
7719000	Paintspray hose 3/8" x 30mtrs. 2-wire
